What is Lawn Bowls?

Lawn Bowls has been played in Nova Scotia for over a century.

Lawn Bowls is a target game. Players roll their bowls to try to be the closest to the Jack. It is similar in some ways to curling as the bowls travel in a curved path. Lawn Bowls is not physically demanding on the player.

However, it does involve strategy and skill. It is accessible for all ages and abilities. Lawn Bowls is a social game, no commitment is needed.

Just come to a coffee league or drop in game when you want to, play bowls and meet new friends. If you are interested in more competitive games, we also have regular league play. Lawn bowls is fun for everyone.

There is no cost to try the game!
